

Our DT work will be based on joining materials. We will sew a Christmas decoration to sell at our Cracking Christmas. Event.

Music

The children will learn how to listen to and appraise a variety of songs. They will improvise using voices and instruments. They will learn a wide range of musical vocabulary and use these words correctly when answering questions.

PSHE

Me and my relationships - Can we
identify simple qualities of friendship
and suggest simple strategies for
making up?

Why do we have classroom rules?
Can we demonstrate attentive listening
skills and suggest simple strategies for
resolving conflicts?

Can we recognise how others might be feeling by reading body language/facial expressions?

Can we identify a range of feelings and
identify how they might make us
behave?

Can we recognise that people's bodies and feelings can be hurt, and suggest ways of dealing with hurt?

Trenoweth Class Topic Web

Autumn Term

English

Some of our Literacy work will be based on our 'Read, Write, Inc' books each week. Additional Literacy work will include a focus on spelling, punctuation and grammar. We will also be writing captions and lists (Year 1) and non-chronological reports (Year 2), followed by a focus on poetry.

Maths

A variety of topics will be covered including:
Year 1: Place Value, Addition and Subtraction, and Shape.
Year 2: Place Value, Addition and Subtraction, and Shape.

Science

Children will learn how seeds and bulbs grow into mature plants, and will learn about seed dispersal. We will plan and carry out an investigation into the conditions needed for plant growth by planting cress. We will draw conclusions from our results and evaluate our findings.
In the second half of the term, we will learn about animals including humans.

PE

Dance—The children will be practising a dance based on animals around the world, varying levels and speed and linking movements together.
Gymnastics—Children will be practising and performing a sequence, linking rolls, jumps and balances.
Games - The children will be refining their passing and receiving skills through a variety of small, competitive games, taking the lead in their activities and challenging themselves where appropriate.

History

The Gunpowder Plot

Children will learn all about Guy Fawkes and the Gunpowder Plot. They will learn why the 5th November is an important date.

Geography:

We will be learning the countries, cities and seas of the United Kingdom.

Computing

E-safety - protecting my friends and family and knowing what can be seen on-line and who by.

We will be learning how to use a mouse and track pad to control a computer. We will learn how to drag objects. We will focus on finding letters and numbers on the keyboard to type words.

Art

We will be focusing on drawing skills, using a variety of drawing tools and linking this with our class topics for the term.

RE

We will learn about what the good news is that Jesus brings.
In the second half of term, we will learn about the Nativity story and why Christmas is important to Christians.
