STONE AGE DAY IN PENGELLY

On Wednesday, things in Pengelly became strangely prehistoric! The children took part in quizzes, made ancient artefacts and found out even more about life for people during the Stone Age. In the afternoon, they were even brave enough to perform their Stone Age song to the school! We would like to thank all the parents for their amazing costumes and help in making this an exciting day for the children. To find out what they got up to, please look out for the photos on Facebook.
