WELCOME BACK AND THANK YOU!

Well, what a start to the New Year it has been! We thank everyone for being so supportive of the school when we had to close last Thursday and then remain closed on Friday. Unfortunately without power we could not open and communications were difficult as several of you also had no power. We were very fortunate that we only had 2 trees fall and no damage to the building, although sadly one tree did squash our polytunnel. Luckily this week has been a little bit more normal thankfully (although the school fire alarm did randomly decide to go off yesterday so not a normal week!).

CLUBS start next week. Some are oversubscribed so please ensure your child attends EVERY week. If they are not going to attend anymore, please let us know so we can give the place to another child. Thank you.

FOOTBALL MATCH REPORT

Well done to the children who represented the school in a football match last evening against Trevithick. After a great match and brilliant teamwork, we came away with a 1-1 draw which was an excellent result. Well done everyone! Thank you to the parents who again helped with transport allowing us to give our children this opportunity.
