

# Crowan Primary School

Head of School: Miss T Harris

19<sup>th</sup> January 2026

Dear Consultee,

## **Consultation on the proposed status change for Crowan Primary School to amend age range**

At Crowan Primary School we currently take admissions from the ages of 4-11 years. We are fortunate enough to now have the capacity to increase our intake and are looking to enrol children into an existing integrated nursery setting. By amending our age range to 2-11 years, this will enhance transition between Nursery and Reception Class and provide greater educational opportunities for children. We also envisage that the additional benefit of feeling part of a school community will allow greater educational consistency for our parents and families.

At Crowan Primary School we are proud be a happy and caring school. We are a fantastic place to learn, play and work in beautiful surroundings. Situated at the centre of a supportive village community, we pride ourselves on making this an inclusive school with a similar tight-knit, family feel and we work in partnership with parents, carers and community to protect and promote this.

Our children deserve the very best as they start out on their learning journey at Crowan, and our school's values 'Dream, Believe, Achieve' encapsulates our determination to foster a lifelong love of learning in every child.

In advance of submitting an application to the Department of Education to change our funding agreement to cover the ages of 2-11 years, we invite your feedback on this proposal.

A four-week consultation process begins on **Monday 19<sup>th</sup> January 2026** and ends on **Monday 23<sup>rd</sup> February 2026**. You may request a phone call or meeting if you would like to discuss these proposed changes.
