## **INSTRUMENTAL TUITION**

This week, we were lucky enough to receive a visit from Cheryl Brendish from the Cornwall Music Service Trust who currently visits the school to teach piano. She is also able to teach vocal (singing) and ukelele. If your child is interested in learning any of these instruments, please visit the CMST website for more information and costs. We also have Rock, Steady Music on a Friday. They teach group 'band' lessons to children from Year 1 and there is more information about what they offer and costs on their website.
