EVENTS AND ACTIVITIES

Thank you to everyone for your incredible outfits for World Book Day, the children all looked amazing! What a lot of thought and effort went into every single costume. There are photos on Facebook for you to see.

This week Crenver enjoyed a visit to Falmouth Art Gallery where they got to make a automaton toy. They looked incredible and the children really enjoyed the workshop. We were very proud when we received this email from the staff at the gallery. Well done Crenver!

I am writing to express my thanks to the teachers and children who visited Falmouth Art Gallery. They were an absolute joy to work with and the children were all very well behaved, respectful and incredibly creative! They were a joy to work with and I wish every class who visited were as great as this one. They showed both flair and inventiveness with their designs and were also resilient and patient during the trickier parts of the workshop. Please pass on my thanks and I look forward to possible future visits from Crowan School.

ATTENDANCE

This week was our termly meeting with the Education Welfare Officer, who was generally pleased with attendance across the school. However, she did notice that after a good improvement, some families have started to slip again with lateness. Please try to ensure your child(ren) is here when the doors open at 8.45am. A settled start to the day is important for everyone!
Thanks
